

# KLCC Offers Something For Everyone...

2010

## Golf

A challenging par 72, 18 hole golf course, which plays 6,300 yards from the men's tee, 5,300 yards from the ladies' tee. This may not appear too long, but don't be fooled... Klinger Lake is a very challenging course to play! KLCC also offers a driving range and practice area along with a full service Pro Shop including lessons with our PGA Golf Pro.

## Statistics

A typical course (public or private) will play 22,000 to 40,000 rounds a year. However, KLCC plays about 10,000 rounds per year, which is very low for an 18 hole facility. This means that it is very easy to get on the course. Tee times are accepted up to 1 week in advance but reservations are rarely necessary. The PGA Professional and his staff conduct an extensive tournament schedule for members, with over 30 events to participate in.

## Special Groups

We have golf events for the whole family; men, women and juniors.

The Men's Stag is Thursday afternoon.

The Women's Golf Association plays Tuesday morning.

## Clubhouse

We have three dining rooms and offer a casual to formal dining atmosphere with seating for 15 to 200 guests.

Some of the features are: Fine Dining; Banquet, reception facilities; Business Meeting facilities; Screened in porch and deck; Full array of social events; Social groups; Men's locker room; Women's locker room with a lounge .

## Pool

Newly constructed in 2009. Features a new bath house facility, a slide, lap swimming lanes and a shallow section for the youngsters.

## KLCC Rich Heritage....

KLCC was established 90 years ago in 1920 with 50 members and was originally called St. Joseph Country Club, C.W. Kirsch was the first president.

On April 10, 1920 the Club changed its name to Klinger Lake Country Club and was incorporated as a non-profit corporation on June 3, 1920. With the Clubhouse opening in June 1921.

The land for the back nine was deeded by Harry and John Howard and KLCC Pro, Jimmie Millar a former native of Carnoustie, Scotland planned the layout. Construction began in the fall of 1930.

Although there has been many changes at KLCC over the years, some things have not, the commitment to providing excellent dining, social event and golf experience, on one of the best conditioned and manicured golf course in Southwest Michigan.

KLCC offer a membership class to fit your lifestyle. Please, contact the Business Office for further information regarding KLCC and membership.
